Press Release

Mumbai, May 13, 2016

Performance highlights for Q4 & YTD March: FY 2015-16

Consolidated Annual Revenue at Rs.77.72 crores up by 15.6%

Financial Highlights:

Next Mediaworks Limited today declared its results for the quarter and full financial year ended March 31, 2016. The company operates 7 FM radio licences in the metro cities of Mumbai, Delhi, Bangalore, Kolkata, Chennai, Ahmedabad and Pune under the Radio One brand through its subsidiary Next Radio Limited and has seen tremendous response from listeners and advertisers for its mass differentiated programming format in every city.

The FM Phase III auctions concluded during the year and Next Radio Limited has renewed its existing licences for 15 years and maintaining a steady state of the business. Next Radio has exercised the option to migrate all 7 existing licenses by paying Nonrefundable One Time Migration fees to Ministry of Information and Broadcasting. These fees were funded by debt and through preference shares issued to Mr. Rakesh Jhunjhunwala in the subsidiary company. It has managed to grow revenues and margins through a strategy that has delivered consistent results over the past three years.

Capital Reduction by Subsidiary company:

To rationalize the balance sheet and to depict the true and fair position of its assets and liabilities, the Board of Directors of Next Radio Limited has approved the setting off of accumulated losses amounting to Rs.147 Crores against its equity paid up capital – Rs.109 crores and against Securities Premium Account – Rs.38 crores as on March 31, 2016.

Consequent to the above Next Radio Limited has cancelled 68.14 shares for every 100 shares had in the company. There is no impact on the profit and loss account of the subsidiary company Next Radio Limited.

In standalone financials of Next Mediaworks Limited the value of investment of shares in Next Radio Limited has been impaired to the tune of Rs.117.10 Crores.

In consolidated financials of Next Mediaworks Limited the goodwill recognized on consolidation of Rs.54.90 Crores has been written off.

Consolidated Revenue from Operations

- Revenue from operations during Q4 stood at Rs.18.12 crores, up by 8.3% as compared to Rs.16.73 Crores of the corresponding quarter a year ago.
- Revenue from Operations for the year stood at Rs.76.18 crores, up by 16.4% as compared to Rs.65.43 Crores of the last year.
- EBIDTA margin for the year was depressed at 20.4% due to the impact of two significant events:
 - a. Annual license fees payable for the FM licences to Ministry of Information and Broadcasting have increased due to high bids received for new licences in our cities of operation by Rs.9.97 Crores. The matter is subjudice before the Delhi High Court in the writ petition filed by Entertainment Network Limited & Others vs. Union of India.
 - b. We undertook a fund raising programme to fund the migration fees. All costs related to this fund raise (Rs.1.89 crores) have been recorded in this year.

It is pertinent to note that in the absence of these two items, on a like-for-like comparison with the last fiscal year, the company would have operated at EBIDTA margin of 35.6%. As it stands, all costs have been taken in this year for a true and fair representation of the financial position of the company.

Key Quotes:

Quote from Mr. Tarique Ansari, Chairman & MD, Next Mediaworks Ltd.

This is a very special juncture in time for our company. We have, in the last year, made the transition from Phase 2 to Phase 3 of FM privatization with all our 7 metro stations. Raising funding for the transition has been accomplished in a timely manner and we are excited to welcome Rakesh Jhunjhunwalla as a shareholder in Next Radio, our operating subsidiary.

The last year has also shown that our strategy of locally mass differentiated stations is bearing fruit. The dip in EBIDTA is largely due to three factors – an increase in annual licence fees of around Rs 10 crores

(which is being challenged in the courts by the entire radio industry), fund raising costs of Rs 2 crores and investments made to meet new competition of Rs 2 crores. If it were not for these transitional costs we would have been at an EBIDTA of Rs 31 crores, a significant growth.

We have also undertaken a court-approved process of capital reduction in Next Radio. This adjusts our past losses against the share equity of the company to more accurately reflect the book value of the shares and makes way for enhanced shareholder value creation in the years to come.

With this year behind us we are now ready to embark on a sustained growth cycle over the next 15 years and are excited at the prospect.
